## **Course Description**

If you liked Auto-Tech, we now provide an advanced course for all those car lovers out there! The course provides you with off-road tune ups, electrical, engine, brakes, engine analysis, emission control systems, and diagnosis. This class also provides students with more time to do individual projects, such as lift kits, body work, stereo, and exhaust. Students will also have the opportunity to get college credits; up to four units at MiraCosta.
