

TORREY PINES HIGH SCHOOL

PARKING & DROP-OFF / PICK-UP INFORMATION

- When dropping off and/or picking up students, please remember to **obey all traffic laws and posted traffic signs**. Please avoid dropping off students in designated “No Stopping” areas, and please do not drive around waiting traffic in an effort to enter a parking area. Please remember that the safety of our students is our #1 priority.
- Due to construction, there is one drop-off/pick-up area for parents and students (on the south side of school on Del Mar Heights Road). For details, please refer to the **parking map** on the TPHS school web site.
- The heaviest traffic on campus is between 7:20 and 7:45 a.m., and then again from 2:30 to 2:45 p.m. To avoid the congestion during the busy times, please make arrangements to arrive early and pick-up later. Students are welcome to spend time in our Learning Commons before and after school.
- When dropping off and/or picking up students, please be considerate of other drivers by keeping the flow of traffic moving, and **do not block intersections**.
- To ensure student safety, **students should only cross at designated crosswalks**, and should be cautious at all times when entering traffic lanes.
- All drivers should **maintain a safe speed while in the TPHS parking lot**, especially in the morning and during the release of students at the end of the school day.
- Students and parents should only **park in designated areas**. Students must have a current parking permit to park in the student lot during the school day and should only park in the student lot. **Student vehicles parked in visitor or staff spaces will be ticketed**.
- **There is no parking on campus or anywhere near the stadium**. Please be advised that this rule is enforced for events and activities after school, on weekends, and during holidays. Vehicles parked in these areas will be ticketed. Vehicles blocking any construction areas will be towed.
