The Junior Class Council has worked hard to plan this year’s prom. The school administration, along with the Junior Class Council is dedicated to ensuring that the prom is positive and memorable for everyone. Be aware of the consequences of poor choices and use good judgment.

Remember that it is required for you and your guest to bring your school ID for check in. Check in is no later than 8:45 and the earliest you may leave is 10pm. There is no re-entry after exit. A limo list is required if you are arriving via bus or limo.

Please keep in mind that this is a school event and all school rules are to be observed. The administration will be conducting random breath tests, and students found under the influence of alcohol and/or drugs are subject to disciplinary action.

We hope everyone has a safe and memorable experience!
