* CSF is now an organization that works hard to support and recognize the students and staff of Torrey Pines High School as well as those in the surrounding community. Because of this recent change, we ask those who consider applying for a spot in this group to acknowledge that there will be several events each month to assist with. **THIS IS NOT MANDATORY.** However, please note that the main focus of this organization is to support peers, brighten people's days and make an overall, positive change to TPHS. With this in mind, we expect you to take part in CSF-related activities, attend *all* meetings, and volunteer to help out of the goodness of your heart.

Sincerely,
Mr. Chess (Advisor)
