

Fashion Design ROP

Grade Levels: 9-12

Course Description: Have you ever thought about a career in Fashion or wanted to know more about the world of fashion? Then this course is for you! In this course students will have the opportunity to learn and apply the elements and principles of fashion design. Students will study the history of fashion, learn about textiles, fabrics, color, wardrobe coordination, manufacturing and merchandising, apply their skills in designing and marketing their own custom apparel, and produce and star in their own fashion show production. Students will take a field trip(s) to events and places such as a fashion show, fashion college, fabric store, etc. and learn from guest speakers in the fashion industry. Students will explore careers related to fashion, prepare for job interviews and learn how to write a resume and cover letter. Upon completion of the course, students will receive a certificate which may be used for job acquisition. Sewing and drawing skills are a plus, but not required.
