

2018 Junior Honor Court Information

Each year, our school practices an honored tradition at the graduation commencement ceremony; forty junior students sending-off and bidding farewell to the seniors. These junior students represent the entire junior class and are known as The Junior Honor Court. Members of the court will lead the seniors in the graduation commencement procession and form a chain for the graduates to walk through. The selection process is under way; we are now accepting applications from interested junior students. To apply, fill-out and turn-in the application (page 2). All interested applicants **MUST** meet the criteria listed below with continued excellence from you during the upcoming weeks leading up to the ceremony. There will be a limited number of applicants selected this year, so no late applications will be accepted.
