- AP Capstone program
- 8 diverse CTE pathways prepare students for life beyond college

Welcome to Torrey Pines!

It is with immense pride that I welcome you to Torrey Pines High School. It is my honor to lead such an amazing school full of bright, energetic, creative students, and innovative, caring faculty and staff. We want our students to lead balanced, well-rounded lives, and to blaze their own trail toward their future. We have a supportive, inclusive campus culture that promotes high expectations while ensuring that our Falcons have access to both academic and social/emotional resources. TPHS has been part of this community for more than four decades, and when you're on campus you will sense our history, but you will also be excited about our future. This is a special place, and we are thrilled to have you as part of our Falcon Family.

Torrey Pines has been a part of my family for more than 40 years, and it is my mission to maintain our tradition of high achievement, while helping my alma mater adapt to meet the evolving needs of our students and community. I hope you are as happy to be a Falcon as I am!

Get Involved

The TPHS Foundation is a nonprofit organization established in 1993 to bridge the gap between student's needs and the State/District funding by raising money through donations and special events. Thanks to the support of generous donors, and dedicated volunteers, the TPHS Foundation is able to enhance the educational and developmental experience for all students and families.
