

2019
Junior Honor Court
Information

Each year, our school practices an honored tradition at the graduation commencement ceremony; a group of carefully selected junior students sending-off and bidding farewell to the seniors. These junior students represent the entire junior class and are known as The Junior Honor Court. Members of the court will lead the seniors in the graduation commencement procession and form a chain for the graduates to walk through. The selection process is under way; we are now accepting applications. To apply, fill-out and turn-in the application (page 2).
