## School and Community: The Torrey Pines Falcons

Torrey Pines High School, a three-time National Blue Ribbon School and a California Distinguished School, is an exemplary institution within a strong secondary school district. The 2,457 students in grades 9-12 represent communities in the coastal areas of northern San Diego County. Neighboring institutions, such as the University of California, San Diego, Scripps Institute of Oceanography, Salk Institute, Scripps Clinic and Research Foundation, and the Burnham Institute, as well as nearby high tech giants like Qualcomm, Intuit and Cisco Systems, influence the high standard of education and expectations at Torrey Pines High School.

Student success is supported by tutoring centers on campus, over 300 parent volunteers, 150 extracurricular student clubs and the TPHS Parent Foundation. Falcon students consistently earn top honors at academic competitions including a gold medal at the International Physics Olympiad, as well as awards at the San Diego Science Fair, the national journalism convention, and drama and video film events. We also offer a comprehensive Division I interscholastic athletics program with 26 varsity-level sports. Since 1974, TPHS scholar-athletes have earned 219 CIF championships, more than any other high school in San Diego County.
