The TPHS App Is Here!

Sign-Up For Challenge Days Now!

New Cameras Installed

## Falcon Feature

During October 16-19 TPHS will host our annual Challenge Days in the gym. Students who participate will spend the whole day laughing, sharing, connecting, and most importantly, learning how much they have in common. This critical component of our wellness resources at TP is a great opportunity for students and parents to get connected to TPHS. If you have not been a challenge day adult participant, you are really missing out! Please volunteer to spend the day with us, and help make a difference in the lives of our Falcons. It will be life changing for you, and for our students. For more info visit the [TPHS Challenge Day website](#).

## Get Connected w/the TPHS App!

Thanks to the creativity of our students, and the support of our community, TPHS now has an easy to use smartphone app that will help you stay connected to the best school in the world! The app give you quick access to calendars, important updates, and it will even send you push notifications for specific grade-levels. You can download the app for either Apple or Android phones using your favorite app store, or [visit this link](#).

## Safety

You may signs on campus saying that security cameras are active. The cameras cover all entrances and exits, and all of the open areas of campus. Footage is recorded 24/7/365. Please be aware that anytime you are on campus, you may be recorded. The cameras are part of our recent safety improvements, and are one of the many ways we keep our campus safe.

## Did You Know?

The TPHS Foundation is 25 years old this year! For two and half decades our incredibly supportive community has worked through the TPHSF to support the unique needs of our Falcons. From classroom materials, to campus improvements, to supporting critical wellness and connectivity activities, our TPHSF is dedicated to helping make TPHS the best school possible for your student. For more info on their amazing work, [visit the TPHSF website](#).
