## Welcome to Torrey Pines!

It is with an immense amount of pride that I welcome you to Torrey Pines High School. It is my honor to lead such an amazing school full of bright, energetic, creative students, and talented, innovative faculty and staff. At TPHS, our students demonstrate excellence in the classroom, in the arts, in athletics, in clubs, in leadership groups, and in our community. We want our students to lead balanced, well-rounded lives and to design their individual pathway to the future in a culture of high expectations, diverse options, and a strong support system. Torrey Pines is a special place and we are thrilled to have you as part of our Falcon family.

"Our vision is to be a dynamic community of lifelong learners who make significant contributions in our world."

TPHS is rooted in a tradition of excellence, and we are proud of its consistently rigorous and challenging curriculum. But beyond all of the accolades we receive for the hard work of our students and staff, it is important to know that we have created a support structure that is designed to help students feel safe to challenge themselves to be better than they ever thought possible. I want students to reach their potential, but it is critical to me that we provide the social, emotional and academic support all students need to be significant contributors to our world now, and in the future.

Torrey Pines has been a part of my life since I was a student here myself, and it is my mission to maintain our tradition of high achievement, while helping guide my Alma mater as we adapt to meet the evolving needs of our students and community. I hope you are as happy to be here as I am!

Rob Coppo has been an educator since 1998. Drawing on his experience as a classroom teacher, a site administrator and a district administrator, Rob brings a unique perspective to his role as principal of TPHS.

Rob also has a personal connection to the school as a Falcon himself. As a proud member of the TPHS class of 1986, Rob is deeply connected to the community, and understands the history and tradition of TPHS. Rob truly knows what it means when we say... WE ARE TP!

## WE ARE TP!

## BE A VOLUNTEER!

The TP Foundation is a nonprofit organization established in 1993 to bridge the large gap between student's needs and the State/District funding by raising money through donations and special events. Thanks to the support of generous donors, the mission of the TP Foundation is to enhance the educational and developmental experience for all TPHS students.
