

Creative Writing

9th Grade- 12th Grade (10 Credits)

- *Meets high school graduation requirement for General Elective*

General Information

Description

Students will explore writing in various modes such as prose, poetry, nonfiction, etc. Students will work in small groups and independently to compose unique pieces.

Expectations and Goals

Students will have the opportunity to grow as a writer through various workshops, peer review, publication opportunities, and multiple drafting.

Student background and skill set should include:

- Enthusiasm to write, participate, and work with others.

Estimated Homework

There is no homework in this course; however, many students find joy in writing in their free time.

This Class Is Best For...

Students who are eager to be part of a positive learning community with opportunities to grow as writers.
