

## ELD III

### 9-12<sup>th</sup> Grades (10 Credits)

- *Meets high school graduation requirement for English*
- *Meets the UC/CSU subject area "B" requirement*

### General Information

ELD 3 is a course designed to continue English language development as well as to introduce students to mainstream literature and grade level language arts common core standards. The course focuses on vocabulary expansion, grammar and sentence structure, paragraph structure, essay formatting, reading comprehension, and literary analysis. EDGE level B, designed for English language learners at the intermediate level, is the textbook used. In addition, the following novels are read throughout the year: *Seedfolks* by Paul Fleishman, *The Pearl* by John Steinbeck, and *The Curious Incident of the Dog in the Nighttime* by Mark Haddon. Poetry, essays, and short stories connected to the curriculum are also used. (College Prep)

### Expectations and Goals

This course is aligned with the California State Standards in English and the California English Language Development (ELD) standards.

### This Class Is Best For...

English Learner (EL) students who have minimally developed English skills and scored a 3 overall on the ELPAC.
