Junior Audits

De-stress with therapy dogs

Academic Honesty

Falcon Feature

As part of our continuing efforts to help our students social and emotional learning, we are bringing therapy dogs to campus on 1/23 and 1/24. The dogs will be provided by [Love On a Leash](#), and one of the dogs is owned by our very own Principal's Secretary Grace Lisle! Having the dogs on campus is only one part of the equation. Please remind your student to get good rest, eat right, exercise and Take Pride in themselves as they prepare for finals. We know that finals week can be stressful for students, so we all need to Take Pride in each other and support our Falcons' [wellness](#).

Junior Audits

[Counselors](#) visited US History classes in the lecture hall on January 10th and 11th. They discussed going over transcripts, graduation requirements, UC/CSU entrance requirements, college admission testing, the college application process and much more. Junior Parents are also invited to join the counselors on Thursday, January 17th from 6-7 pm in the TPHS Lecture Hall for a comprehensive presentation on high school graduation requirements, college admission requirements, SAT/ACT testing, the "Class of 2020" Google Classroom, letters of recommendation and much more! More information can be found on our counseling website.

Student Senate Is Back!

Based on feedback from our Healthy Kids Survey and the Student Summit on 12/19, the Student Senate will return to TPHS next week. On 1/15 a student representative from every 4th period class will meet with ASB leaders to share ideas, feedback and insights. This is a great opportunity for our Falcons to have their voices heard and be active participants in the school community.

Did You Know?

As we approach the end of the semester, please take a moment to talk to your student about the importance of academic honesty, and its impact not only on their grade, but on their integrity. Cheating can come in many forms, and we want our Falcons to uphold their TP Pledge. For more information on what is considered cheating, and the potential consequences, please read our [Academic Honesty Policy](#).
