Limo Buses Dangers

Spring Registration

Attendance Matters!

## Falcon Feature

As we enter second semester it's time to prepare for the 2019-2020 school year. On 2/21 through 2/28 our 9th through 11th grade students will participate in presentations by our counselors regarding next year's course selections. Counselors will return to English classes on March 7th and 8th to collect completed registration forms. The window will open to input their class choices into ARIES on February 21st and close on March 8th. Once the window closes on March 8th students can meet with their counselors regarding any questions. Please work with your students to pick a healthy, balanced course-load that matches their individual interests and goals. More info on our [counselor's page](#).

## Safety - Limo Buses

With Winter Formal just around the corner, and Prom not far away, we want to remind all families about the dangers of limo buses. Buses that carry large groups of students to dances often create problems for students, parents and administrators at events. Buses sometimes stop and pick up unauthorized individuals, they are unreliable, and offer very little protection in an accident. We search buses and limos and if any alcohol or illegal substances are found, students will not be allowed to enter the dance and the appropriate consequences will be put into place. Please use caution when reserving transportation and consider the dangers.

## Wellness - Attendance

The #1 protective factor for students at school is attendance. When students are in school, they are less stressed and more connected. We had a significant improvement in our attendance during the finals week this year, so thank you to all of our families for making attendance during finals a priority. Please continue to make attendance a priority so we can ensure our Falcons are safe, happy, healthy and connected!

## Did You Know?

Construction is nearing completion on our new PAC, music and dance rooms. This incredible facility will be the new home for TP Players, our TP Music Program, our TP Dance Company, and will host important school events throughout the year. We look forward to opening the doors to our Falcons!

## Counseling Updates

### UPCOMING EVENTS

#### Academics

- Jan. 30- Second Semester Begins
