Attendance Update: College Visits

Student Summit 12/11

Responsible Decision-Making

Falcon Feature

As 2019 comes to a close and we all look forward to winter break, we want to take a moment to show our gratitude for all of our students, teachers, staff, coaches, and families who work hard every day to make Torrey Pines such an amazing school. TPHS is a special place, and it's the people who make this school so unique. We are proud to serve our community, and help guide our Falcons in their journey through high school. After a very fun and productive fall, we are excited for all the great things to come in 2020. Thank you all for being a part of our Falcon family. We are TP!

Student Summit 12/11

Falcon representatives from each grade level recently participated in the annual SDUHSD Student Summit. Students from all district sites were part of this interactive and collaborative event designed to ensure student voices in our decision-making process. Led by our Superintendent, Dr. Haley, the summit provides a platform for a diverse group of student voices where they can share insights, and help guide our district.

SEL - Responsible Decision-Making

Our SEL focus for November and December is "responsible decision-making." As a follow-up to Red Ribbon Week, and our guest speaker Rocky Herron, we hope you take some time over winter break to talk to your student about the importance of things like impulse control, stress management, self-discipline, self motivation, goal setting and organizational skills. For more information on responsible decision-making, visit the [SEL Core Competencies page](#).

Did You Know?

SDUHSD has updated the attendance policy to allow junior and senior students up to 3 days of excused absences (per year) for college visits. To have a scheduled college visit approved, please go to our website to complete the [new district process](#) to pre-approve the absence.
