Safety at Dances

Suicide Prevention Event

Upcoming Musical

Falcon Feature

On Wednesday, March 4th, we will be hosting a Suicide Prevention Event. SDCOE Suicide Prevention Coordinator Stan Collins is coming to TPHS to talk to the entire student body during the school day, and then is hosting a Family Education Event that night. He brings two decades of experience working with hundreds of schools in CA. Stan's presentation will include classroom activities around self-management, developing healthy relationships, and stress management. More details on the Family Education Event on March 4th will be sent in a flyer. For more information about Stan's work, check out the [Directing Change website](#).

Safety

With Winter Formal this weekend and Prom not far away, we want to remind all families about the dangers of limo buses. Buses that carry large groups of students to dances often create problems for students, parents, and administrators at events. Buses sometimes stop and pick up unauthorized individuals, they are unreliable, and offer very little protection in an accident. We search buses and limos and if any alcohol or illegal substances are found, the bus will be sent away and students will not be allowed to enter the dance. Please use caution when reserving transportation and consider the dangers.

Pippin

Get ready for an amazing collaboration between our Drama and Music program - Pippin will be our first musical in our new proscenium theater! Come out and enjoy the talents of our Falcons as they tell the story of Pippin, a young prince on his search for meaning and significance. The show runs 2/20-2/22, and then 2/27-2/29. Get your tickets on the [TP Players website](#).

Did You Know?

91% of our students report feeling connected to a trusted adult at school. We are proud to have a staff that supports the academic and social & emotional needs of our students. Take a moment to talk to your student about who at Torrey Pines they see as a resource, and if they aren't sure, help them find a way to connect with an adult on campus. A connected Falcon is a happy, healthy Falcon!
